Duarte, CA – March 25th, 2014 – Seidner's Collision Centers and State Farm Insurance presented a 2010 Jeep Grand Cherokee to a local family sponsored by Foothill Unity Center, Pasadena, CA.

Steve Seidner, VP of Seidner's Collision Centers stated, "As we celebrate our 50th Anniversary, what better way to say "Thank-You" to the local communities that have supported us for 5 decades. The collaboration in bringing all 3 entities together to help this family is beyond words. We can't thank State Farm and Foothill Unity Center enough for helping to make this extraordinary day possible."

"Lack of reliable transportation is a daily challenge for families struggling to regain financial stability while caring for their family," said Eddie C. Martinez, State Farm Public Affairs Rep. "These gifts through Recycled Rides are a game-changer for the families. We are grateful to Seidner's Collision Centers and the National Auto Body Council that provide these gifts, year after year, to ease the transportation burdens many families face."

Betty McWilliams, Executive Director of Foothill Unity Center agrees, "This could not be a more rewarding project for our organization whose goal is helping people survive difficult situations and move forward.
